

Your business is valuable.

Package it with care
before the time comes to hand it on.

Owners of small and medium-sized businesses make Canada's economy tick, but are often unprepared when it comes to optimizing value and business continuity upon retirement.

Owned and operated by entrepreneurs, VenGrowth has been a trusted partner for Canadian business owners since 1982, building a strong track record of successful exit events.

With a range of flexible, tax-effective debt and equity financing solutions, VenGrowth's experienced investment specialists work with Canadian entrepreneurs to drive future growth of their business, make the right connections and prepare for an exit when the time is right.

We can help with:

- Phased exits
- Buyouts
- Family transfers
- Expansion
- IPOs
